TARGET GROUP

As a successful media business, we have set ourselves the goal of communicating with an extremely exclusive and demanding target group: Ultra High Net Worth Individuals (UHNWIs). The term UHNWI was coined in the banking sector and can be defined as: Persons with investable assets of at least 30 million US dollars, excluding personal assets and property such as one's primary residence, collectibles and consumer durables. Ultra High Net Worth Individuals comprise the richest people in the world and control a disproportionate amount of global wealth. Ultra high net worth is generally quoted in terms of liquid assets over a certain figure. The exact amount differs by financial institution and region. The number of richest people has increased in recent years, and they have grown even richer. In recent years, the biggest growth in numbers of the mega-rich was in the emerging economies, specifically in the BRIC nations of Brazil, Russia, India and China – 2020 they have more than 600 billionaires in their ranks.

Through direct sales at the best locations, we attract expats, tourists or domestic seekers of luxury and we speak to them in their

own language. This is how we secure the attention of our advertising customers' target group – both nationally and internationally. About 60 per cent of our readers are women between 30 and 60. The other 40 per cent are men between 35 and 65.

DISTRIBUTION

Sales and distribution by means of top partners from upmarket hotels and restaurants, exclusive city centre stores, art galleries and auction houses, private jets, airport VIP lounges and the general aviation centre allows us to have direct communication with this target group which has an exceptional affinity with luxury. Our channels of distribution are not just national, but international and contribute to the magazines' success.

CUSTOMERS

Our customers include private banks, private clinics, real estate companies, beauty and wellness salons, designers, luxury hotels, jewellers, watchmakers, luxury car brands, museums and galleries and many more. We strive for more long-term partnerships and collaborations and we always endeavour to provide our advertising customers with the best possible presence.

MARKET SITUATION

The desire for luxury is unchanged. Haute Couture, jewellery and watches are timeless classics and enjoy great popularity. The World Luxury Index shows an enormous increase since 2009. Would you like to communicate with this target group that has an exceptional affinity with luxury? Our publications offer you the ideal platform to do so.
